**I can show you how I used the ancient Game Board to manifest new inner resources of courage, wisdom and creativity. I support women who are feeling disconnected, empty, and spiritually confused to find joy, love, and satisfaction in life. By asking questions, calling in angelic beings, releasing the nine dice onto the Board and watching where they land, each symbol is a message that brings answers of clarity and greater possibilities for beneficial results. I found my Hero's Journey and you can too. That's why I say**

## **I DO SOMETHING NO ONE ELSE DOES.**

**In a vision I saw this sacred spiral on a tomb wall in the Valley of the Kings. Why was I chosen to find it? I really don't know, but the pharaoh told me it had been hidden for thousands of years and I was to bring it back into the world as a means of spiritual growth and remembering who we are. It can be used by anyone, not just royalty.**
